MODIFY'S LIMITED WARRANTY.

We have made every effort to provide stylish, quality watches at a fair price. We offer a limited ninety (90) day warranty on defects in materials and workmanship with proof of purchase from our website or from an authorized Modify Watches dealer. This means that if the materials in your watch are acting foolish or if the watch isn't constructed correctly and you let us know within 90 days of your purchase, we will repair or replace it at our option. Basically, if your watch stops working on its own within 90 days of your purchase, we got your back.

NO WARRANTY FOR NORMAL WEAR AND TEAR.

This does not mean, however, that you can break your watch through non-normal usage (dropping a bowling ball on it, deep-sea abalone diving, etc.) and expect us to swoop in and fix it for no charge. We do not cover normal wear and tear on batteries, watch cases, straps or loss or theft. If you're not sure how to define your particular break, just e-mail us at

Help@modifywatches.com.

We're pushovers.

WATER RESISTANT.

Modify Watches are 3ATM water resistant. What does that mean? Basically, you can swim with your Modify Watch on, but please, take your watch off before you go scuba diving.

NO LIABILITY FOR INCIDENTAL DAMAGES.

Modify Industries, Inc. is not liable for any incidental damages sustained in connection with our watches. Any recovery may not be greater than the purchase price paid for your watch.

NO WARRANTY FOR EXPOSURE TO EXTREME HOT OR COLD TEMPERATURES.

Do not expose your watch to extreme temperatures (over 100 degrees Fahrenheit/212 degrees Celsius and under 14 degrees Fahrenheit/-10 degrees Celsius.) Please, no saunas!

NO IMPLIED WARRANTIES.

There are no implied warranties, including the warranties of merchantability and fitness, on your watch after the ninety (90) day term of this limited warranty.

This limited warranty gives you specific legal rights, and you may or may not also have other rights which may vary from country-to-country and state-to-state. Some countries and states do not allow the exclusion or limitation on how long an implied warranty lasts or allow the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to you.

INTERCHANGEABILITY.

Our product is interchangeable only within the style. A larger-sized face will not fit in a smaller-sized strap, nor will a small face fit appropriately in a large strap. Would a "AAA" battery start a car?

(The answer is no.)

WATCH CARE.

Gently rinse your strap with soap and water after exposure to salt water or sand. Please replace the battery at least every two years. Dead or low batteries left in a watch may leak and destroy the movement of your watch.

ADDITIONAL WARNINGS.

Please avoid extreme shocks. Not to be used as a toy. Please do not ingest (our watches may look tasty, but they are not intended to be in your belly!).

Most importantly,
ROCK OUT your Modify Watches!
